LOUIS™ TUMBLERS

Designed to look like glass, but made of durable SAN, Louis Tumblers are NSF Listed! Attractive Louis Tumblers have an extra thick base that mimics the look of glass, and a faceted body shape that makes the tumblers easier to hold.

The exterior design doubles as a stacking lug, eliminating the need for interior lugs. Available in seven sizes including 8 oz and 12 oz Old Fashion — designed for healthcare tray, bar or room service. Louis Tumblers are chip-, shatter-, and break-resistant. Dishwasher safe.
