FEB 06 **BUILD YOUR OWN DINEXPRESS® MODULAR COUNTER SYSTEM**

[DineXpress® modular counters](#) offer unlimited options for customization and design. While Dinex counters are available for the conventional trayline and kitchen systems, they can now be completely upgraded for your front-of-the-house serving systems.

[DineXpress® counters](#) offer a wide variety of options and accessories, from decorative Protector Guards (sneeze guards) to customized shelves, tray slides and cutouts. Counter styles and sizes range from a simple cashier stand to a 91" turn stand, with under-storage.

All DineXpress® equipment features a unique, interlocking EZ-Connect system for joining any combination of counters. They also offer the "Easy-Access Drawer"; a drop down panel (removable

faceplate) that allows quick access to the heating elements and wiring. An industry first!

We have created a tool for you to build your own DineXpress® counter. Please contact Customer Service at 1 (800) 654-8210 for any questions you may have.

JAN 31 ZEVENAAR HQ AND WAREHOUSE IS NOW 100% FOODSERVICE PRODUCTS

Following a restructure at the end of December, we are pleased to inform you that the European Head Office and Distribution Center in Zevenaar, The Netherlands is now 100% focussed on Carlisle FoodService Products. Our colleagues from Carlisle Transportation Products, who previously shared the facilities in Zevenaar have relocated to offices in Arnhem.

Also, after 4 years as Sales and Marketing Director, John Reeves has been appointed General Manager of Carlisle FoodService Products in Europe. John has a wealth of knowledge and experience of the FoodService industry and we are excited

about this enhanced position.

As a further result of the reorganization we have added 13 people to our FoodService Products team. All of these changes will allow us to continually improve our service levels to our customers across Europe.
