Application

The Room Service Cart is designed for transporting meals or tray retrieval. The all stainless steel cart features fixed tray slides w/5-1/4" spacing and accommodates 2 trays/slide. This cart will accommodate 13"x 21" Perfect•Temp trays and the DX1089RS03 Room Service Tray as well as the Architectural Plastics BA5B room service tray.

Construction

Dinex Room Service carts are fabricated with 1" square tubing frame with welded 18-gauge pre-formed side panels/tray slides. The top, bottom and single panel door shall be 18-gauge, stainless steel. Door has recessed door pull with a top mounted heavy duty drop latch. The door has a 270° door swing with magnets to keep the door in an opened position.

Casters

Four 5" diameter plate-type, 2 fixed, 2 swivel with brakes.

Standard Features

- All stainless steel
- Pull type door handle
- Drop latch with magnets
- Small footprint
- Plate-type 5" casters, 2 with brakes

Options

- Wrap-around bumpers*
- Corner bumpers
- Push handle

Warranty

One year parts and labor.

* Wrap around bumper option adds 2" (5cm) to the overall width and depth

We do not accept returns on any Dinex equipment or Dinex custom products. Please contact your local Dinex rep to ensure order accuracy prior to ordering.

Please confirm that you have the most current specification sheet by visiting www.dinex.com.

It is Dinex's policy to offer equipment which is design certified by companies that have been accredited at the federal level by the Occupational Safety and Health Agency (OSHA) and ANSI as a national recognized testing laboratory. These companies include CSA International, Underwriters Laboratories, Edison Testing Laboratories and National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

Dinex reserves the right to change specifications and product design without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment.
