Application

The TQ Economy Cart is designed for transporting trays in units desiring to provide "room service" or "late tray" style meals. The all stainless steel cart features fixed tray slides with 5-1/4" spacing. This cart will accommodate 1-tray per slide of the following 14" x 18", 13" x 21" and 15" x 20" trays as well as the Architectural Plastics room service tray and Dinex Room Service Tray (DXRST152003).

Construction

Dinex TQ Economy Carts are fabricated with 1" square tubing frame with welded 18-gauge pre-formed side panels/tray slides. The top, bottom and single panel door shall be 18-gauge, stainless steel.

The door comes standard with a recessed door pull and features magnets and a transport latch to keep the door closed. The door has a 270° door swing with magnets to keep the door in an opened position.

Castors

Dinex exclusive silent soft tread 4 - 5" diameter, 2 fixed, 2-swivel with brakes.

Standard Features

Please confirm that you have the most current specification sheet by visiting www.dinex.com.

It is Dinex's policy to offer equipment which is design certified by companies that have been accredited at the federal level by the Occupational Safety and Health Agency (OSHA) and ANSI as a national recognized testing laboratory. These companies include CSA International, Underwriters Laboratories, Edison Testing Laboratories and National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

Dinex reserves the right to change specifications and product design without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment.
