THERMAL•AIRE II™ CART

Application

The Thermal•Aire II cart has been designed to mate with the Thermal•Aire II docking station during the cold holding and rethermalization phase of the food delivery process. Combining state-of-the-art precision air convection, and simultaneous refrigeration, the Thermal•Aire II system optimizes flexibility and simplicity of operation, while enhancing food quality, presentation, and the ability to expand menu choices. Assembled meal trays are stored in meal delivery carts under forced cold air refrigeration until the rethermalization process begins. During the rethermalization process, hot and cold food items are brought to optimal temperatures for safe and appetizing meal presentations. Dinex advanced technology makes the process safe, simple to use, and highly cost effective.

The Thermal•Aire II cart is divided into two chambers:
- A cold chamber for the foods that are to remain chilled
- A hot chamber for the meal items that are to be served hot

Standard Features

- Available in 2 sizes – The Junior (20/24 tray capacity) and Senior (26/30 tray capacity)
- Accommodates a full select menu
- Standard Tray: 13" x 21"
- Accommodates wide array of dishware (china, high-heat plastic, paper or approved disposable)
- Ideal for serving satellite sites
- Constructed of stainless steel
- No electrical components, mechanical devices or wiring in carts
- Easy to clean and sanitize
- Ergonomic, lightweight and easily maneuverable with holding handles and top rail

Options

- Divided hot & cold chambers with:
  - Insulated middle wall with Aire Dams™
  - Removable racks (x2)
  - 6.25" and 8" Reslex© non-marking casters - 2 fixed, 2 swivel with brakes
  - Single, non-marking high impact bumpers
  - Stainless steel top rail
  - Spring loaded door latches
  - Interchangeable door gaskets

Warranty

One year parts and labor.

Item Numbers

Junior Cart
- DXTAII4755020 - 20 tray capacity
- DXTAII4755024 - 24 tray capacity

Senior Cart
- DXTAII4755026 - 26 tray capacity
- DXTAII4755030 - 30 tray capacity

Patient Trays
- (13" x 21" flat tray)
  - DXSC1531002 - Gray
  - DXSC1321MB24 - Apricot
  - DXSC1321MB23 - Gray

Microban® Patient Trays
- (13" x 21" flat tray)
  - DXSC1321MB24 - Apricot
  - DXSC1321MB23 - Gray

We do not accept returns on any Dinex equipment or Dinex custom products. Please contact your local Dinex rep to ensure order accuracy prior to ordering.
