

New Air Curtain Refrigerator

Safe, Cold Food Even With The Door Open

Equipped with horizontal air flow, Air Curtain Refrigerators maintain chilled food at 41°F or less for up to 2 hours—even with the door open! The units accommodate a large variety of cold foods on 15 full-size or 30 half-size pans which are ideal to serve in a pod or line tray assembly. Provide your facility with improved performance and enhanced insulation!
