

# Air Curtain Refrigerator

## Safe, Cold Food Even With The Door Open

Keep food chilled up to 41°F up to two hours, door open with Dinex new air curtain refrigerators. Accommodates 15 full-size or 30 half-size cold food trays in your pod or line tray assembly!

## Features

### Temperature Control

Vertical and horizontal air flow maintains interior temperature below 41°F with door open for up to 2 hours\*

\* Depending on temperature of food, ambient temperature and humidity rate

### High Pan Capacity

Tray slides accommodate (15) 18" x 26" or (30) 14" x 18" trays or sheet pans

### Swing Door

Door swings out 270° to the right or left for easy, convenient access

### DOE 2017 Compliant

Reduced energy consumption yields more savings
