

Shakers and Dredges

We Got It Covered

Our dredges come in five available hole diameters – a size for every topping need! Each size comes in a different color, allowing for easy recognition. Salt, flour, seasonings, cheese, or other dry toppings; we got it covered.

Features

Diverse

Lid hole diameters range from .05" to .31", including a solid lid, covering a wide variety of needs

Sturdy

Polycarbonate construction is chip and crack-resistant

Helpful

Molded-in handles are perfect for control and angled for easier dispense

Efficient

Clear exterior of polycarbonate allows for easy identification of contents
