

MARKO
A **CARLISLE** COMPANY

*Embrace*TM

Embrace The Difference

Embrace's sleek design delivers a stylish look for banquets, trade shows, indoor & outdoor events and corporate gatherings. The true four-way stretch fabric easily expands over most tables for a uniformed look—no measuring required.

Now it's easy to refresh your look!

For more information please contact your local sales representative

Embrace™

- Polyester/Spandex fabric embraces the table providing a snug fit and eliminating wrinkles
- True four-way stretch fabric easily expands over most tables for a uniformed look – no measuring required
- Reinforced plastic feet come standard and are sewn in to hold the cover firmly in place
- Feet protect linens from contact with rough floor surfaces and help prevent ripping and soiling

- Sleek, contemporary design fits over tables with no pinning or clips
- Serving as a functional linen, Embrace is perfect for tray-stands, beverage dispensers and waste receptacles
- Easy to install; no pressing or dry cleaning required
- Machine washable and dryable for easy care
- Available in nine contemporary and trend-forward colors
- Fabric by Milliken; Made in USA

All standard sizes are available in the following colors
