

HIGH-HEAT DISPOSABLES

Dinex Disposable Traytop

Operate your meal delivery service by utilizing the Dinex disposable tray and our high heat plate and dome. For late tray service or for serving meals to a behavioral unit or isolation ward, the Dinex disposable option provides an attractive and safe meal presentation to the patient. The fully-disposable design assists in easy clean-up and encourages earth-friendly recycling while eliminating the need for tray retrieval from satellite locations.

High Heat Disposable Dishware

Dinex provides a variety of high temperature dishware for retherm or other heated cart systems. Our dishware adds a unique convenience to your retherm system while reducing cost. Disposable plates and domes are ideal for areas where china dishes cannot be used, access to warewashing is limited or equipment downtime.

Features

- **Convenient Sizing:** Dishes have a low profile of 2.75" and below.
- **Perfect Fit:** 9" disposable plate and dome fit standard induction bases.
- **Upscale Look:** More sleek and heat durable than foam take-out containers.
- **Economic Material:** Natural colored dishes are made with natural additives, reducing plastic by 45%.

HIGH-HEAT DISPOSABLES

Disposable Meal Delivery Tray

Make meal delivery safe, easy and efficient by using single-use bagasse disposable trays. These natural trays are constructed of sugar cane and are certified compostable and biodegradable. Complement your patient meals with an earth-friendly tray that is both durable and attractive!

Features

- **Natural Material:** Natural sugar cane material is biodegradable and TUV compostable certified.
- **Disposable:** Designed for single-use meal delivery and ideal for times when dishwashing equipment is down.
- **Superior Strength:** Strong and durable enough to be used as stand-alone trays in meal delivery carts.
- **Molded Channels:** Reduces plate and beverage slippage.

Perfect for healthcare, schools, universities and behavioral health facilities

Easily holds full traytop set up

Meets emergency-preparedness requirements

Use with Dinex TVL, TQ Economy (ICT), TQ and TQ Supreme carts

Strong enough for use with meal delivery carts

Tray can support itself during transport; no support tray needed
