

MULTI-PURPOSE TRANSPORT & DRYING RACK

Compliant with
NSF/ANSI Standard 2

DXPMPR604M

Item Numbers
DXPMPR604M

Model DXPMPR604M aluminum multi-purpose rack is ideal for transporting or drying trays and other mealtime accessories. Extended wire dividers allow multiple sized pans and trays to be carried simultaneously.

Frame

The vertical uprights and cross bracing are 1" x 2" x 0.10" thick extruded aluminum channels, welded to form a rigid frame. A solid reinforced top of 0.08" thick aluminum sheet is welded to the cross bracing

Shelves

The shelves consist of extruded aluminum interlocking solid panels with .63" high raised guides and .090" thick walls.

The guides are 1.5" on center to separate pans or trays inserted vertically

Dimensions

DXPMPR604M – 62"W x 23"D x 74"H

Pan Supports

Each level has removable sections of 0.25" diameter chromium plated wire dividers to support the pans or trays

Casters

The unit is mounted on four 5" diameter, heavy duty, swivel casters

Warranty

One year parts and labor.

*We do not accept returns on any Dinex equipment or Dinex custom products.
Please contact your local Dinex rep to ensure order accuracy prior to ordering.*

Please confirm that you have the most current specification sheet by visiting www.dinex.com.

It is Dinex's policy to offer equipment which is design certified by companies that have been accredited at the federal level by the Occupational Safety and Health Agency (OSHA) and ANSI as a national recognized testing laboratory. These companies include CSA International, Underwriters Laboratories, Edison Testing Laboratories and National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

Dinex reserves the right to change specifications and product design without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment.
