

# Proex Disposable Food Containers

## Increase Grab & Go Sales

Dinex offers microwaveable food containers designed to serve, reheat and store to-go food; hot or cold. Working directly with end-users we developed the most easy-to-use food containers allowing food quality to shine through. Our variety of shapes and sizes makes it convenient for grab-and-go applications in restaurants, hospitals, cafeterias or schools.

## Benefits

### Reheat

Withstands temperatures up to 280° F

### Anti-Fog Dome

Maximize visibility of hot food

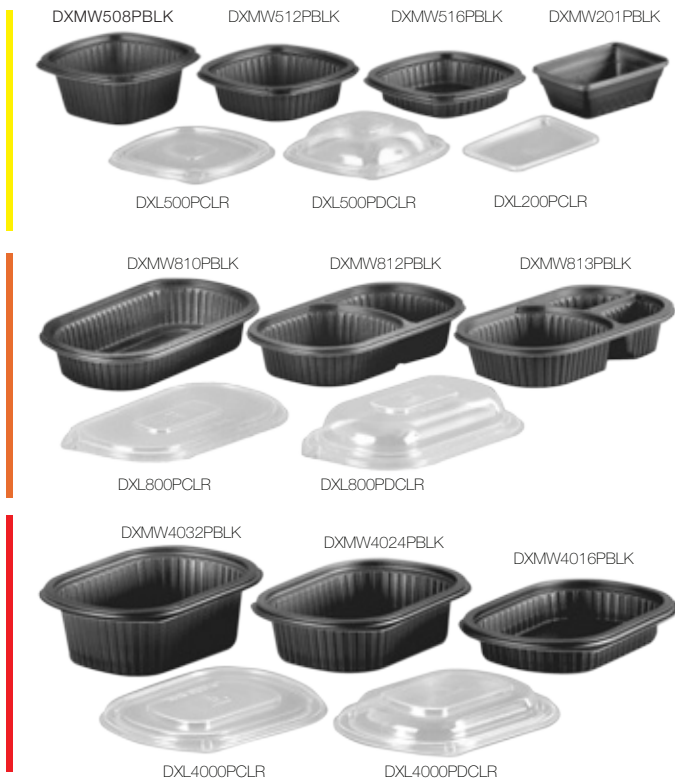

### Salad Container

Comes with shelf-pro to segregate the ingredients

### Custom Capabilities

Proex can design a solution to fit your needs
