Make Mealtimes Fun Again

Fenwick insulated wares are now offered in bright, fun colors for kids. The 8 oz. mugs, 5 oz. bowls and 9 oz. bowls come packed with two colors in a carton to create a fun mismatched look on the traytop. Customers can pair these with a base and insulated dome in Graphite or Midnight Blue and the Jenny Park tray cover to create a unique presentation for children's hospitals.

| Prod No | Description | Color | Pack |
