

Purple Allergen Control Products

The Proof is in the Purple.

Carlisle FoodService Products considers food safety a serious priority. Protecting your customers against food allergies is an important part of any food safety system. Present to your customers our new line of purple allergen control products.

Allergen sensitive patrons are a serious concern for every foodservice establishment. **Every 3 minutes**, a food allergy reaction sends someone to the **emergency room**. It is the responsibility of a reputable foodservice provider to ensure that their customers are **safe** and protected. Carlisle FoodService Products has introduced a full line of **purple products** to help

operators implement allergen programs that are efficient and organized. By using **purple allergen control products**, foodservice operators can store, prepare, serve and clean while ensuring cross contact is dealt with in the most effective manner. We have smart solutions for serious problems. **The proof is in the purple.**

Carlisle is proud to be the **exclusive** provider of:

- Purple, full-color plastic, portion control Measure Misers
- Purple Bronco Waste Containers
- Purple Glo Color Food Boxes
